Due to the current heatwave and for the safety and wellbeing of our kitchen team, we will be operating reduced kitchen hours over the next few days.

This helps us ensure staff can work safely in high temperatures while still maintaining food quality and service where possible.

We really appreciate your understanding and support during this period.

Our food services times for the next few days are as follows:

Wednesday 24th June - 6pm - 19.15pm.

Thursday 25th June - 12pm - 2pm & 6pm - 7.15pm

Friday 26th June - 12pm - 2pm & 6pm - 9pm

We thank you in advance for your understanding.
